INNOVATIVE SERVICE IN YOUR LAUNDROMAT

Offer your customers a new and flexible service by allowing them to drop off or collect their laundry outside of standard opening hours. They will come for this reason—especially if they couldn't access this type of service before.

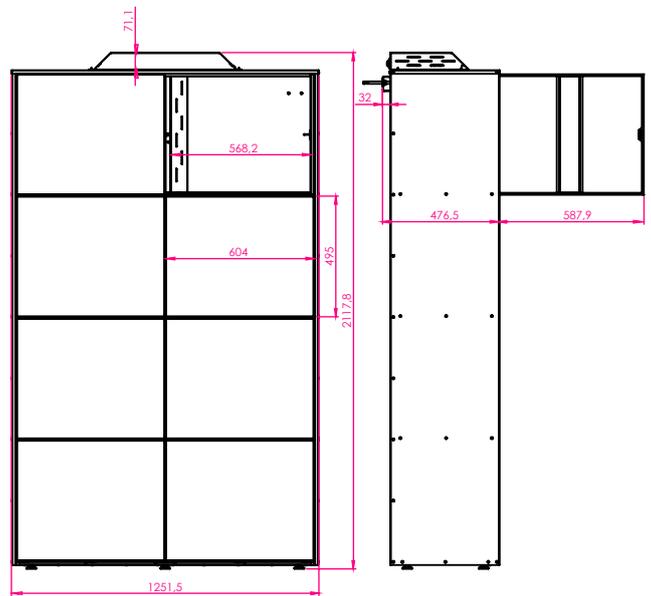

You can tailor the service to your needs:

Just washing and drying, or also ironing and even alterations

The system is operated via the **CK SQUARE** payment terminal and the **Connect Laundry** mobile app.

The large lockers fit a laundry basket, helping you stay organized.

The front design is fully customizable.

Mobile App

- ✓ View the number of pending and ready-to-pick-up orders on your smartphone

- ✓ Stay organized and avoid mix-ups
- ✓ Follow a step-by-step process to prevent forgetfulness
- ✓ Avoid disputes by displaying service prices directly on your wall
- ✓ After processing, simply assign the appropriate fee to the locker and notify the customer that their order is ready.
